Fixed Income Forum

16 May 2024, 09:00-12:30

-
- 09:00 **Opening remarks – Anthony Pickering, Head of Business Development**
- 09:10 **Marc Stacey – BlueBay Senior PM, Investment Grade & specialist in Financials**
Marc has been instrumental in driving the success of our IG credit strategies as well as the peer-leading performance of the BlueBay Financial Capital Bond Fund.
- 09:35 **Polina Kurdyavko – Head of BlueBay Emerging Markets, Senior PM**
Polina is a lead portfolio manager for several flagship funds in EM sovereign, credit, and local markets, including our BlueBay EM Unconstrained strategy.
- 10:00 **Tom Moulds – BlueBay Senior PM, Global Investment Grade & My-Linh Ngo – Senior Director & Impact-Aligned Strategist, Responsible Investment**
Tom is a Senior Portfolio Manager within the Investment Grade team with a focus on BlueBay's Global and European Corporate Strategies. My-Linh supports the incorporation of ESG across BlueBay's investment assets and is also a sustainability strategist on the BlueBay Impact-Aligned Bond Fund.
-
- 10:25 **Break**
-
- 10:50 **Mark Dowding – BlueBay Chief Investment Officer**
Mark is BlueBay's CIO. He has over 27 years' investment experience as a macro fixed income investor and has been a Senior Portfolio Manager at BlueBay (which is now part of RBC Global Asset Management) since he joined in August 2010.
- 11:15 **Russel Matthews – BlueBay Senior PM, Global Macro Sovereign Opportunities**
Russel is the lead portfolio manager for BlueBay's global macro strategy, the BlueBay Global Sovereign Opportunities Fund - a simple, transparent and liquid proposition: challenging the macro fund definitions of old.
- 11:40 **Justin Jewell – Head of European High Yield, BlueBay Senior PM**
Justin is Head of European High Yield within BlueBay's Global Leveraged Finance Group; he is a PM on our flagship BlueBay Global High Yield Bond Fund and BlueBay Global High Yield ESG Bond Fund.
- 12:05 **Blair Reid, BlueBay Senior Portfolio Manager, Multi-Asset Credit**
Blair works within the Multi Asset Credit team who actively asset allocate between asset classes with a focus on the best ideas across global credit.
